## TEACHER CORE-NER

Ms. Lin says, "Welcome Back" to all students!! Being not only amiable but also intelligent, Ms. Lin attended UCLA as a psycho-bio major. Teaching AP Psychology, Chemistry and Environmental Science, Ms Lin's all-time favorite subject to teach is on climate change. You can attend Astrophysics Club and Vietnamese Student Association in her classroom. Everyone in CORE loves Ms. Lin, but what she loves and is proud of is the community that so many students build in her 9<sup>th</sup> grade class. Ms. Lin's wise advise to students is to, "Take it one day, one battle at a time!!!"
