TEACHER CORE-NER

In times of injustice, it is the voices that gives us hope that we carry, Mrs. Del Pino being one of them. Teaching CORE 9 and CORE 11, Mrs. Del Pino's favorite time as a teacher is anytime she is analyzing texts alongside students. She attended UC Berkeley for Sociology and double minored in Education & Chicano Studies as well went to UCLA for her Masters and Teaching Credentials. Being able to continuously create an environment of critical thinking, one that she had as a Corebaby, is something that Mrs. Del Pino prides herself on. Wanting students to both succeed and enjoy highschool, Mrs Del Pino urges corebabies to "Do as much as you can!!"
